CLUB NOTES

BEST HOME RECORD IN THE LEAGUE

Although our away performances continue to be so disappointing as to be completely mystifying—our latest and sixth setback in Division II being a 1-5 crash at Derby last Saturday, on top of a 0-3 League Cup exit at Leeds—there is still nothing much to grumble about concerning the team's displays at Deepdale.

In fact North End, with all seven home matches in the League won, and by an aggregate of 19 goals to seven, have the best home record in the four divisions. Millwall on Monday night joined Northampton, Hull City, Birmingham City, Blackburn Rovers, Coventry City and Charlton Athletic among the fallen, by the odd goal.

The result was the same as in the previous League match at Deepdale, 2-1 v. Charlton, and almost as hard going in spite of overwhelming territorial superiority by North End. Dawson opened the scoring with a disputed goal, then had a seemingly good one disallowed, or his total for the season would have become seven. Julians equalised in a breakaway and our winning goal three minutes from time by Lyall was rather lucky.

His strong shot struck one of an array of defenders and was deflected past the keeper. But on the play there was no doubt about our deserving the points.

CLUB NOTES—*continued*

Millwall concentrated on packing their defence and it was extremely difficult to find a way through. Even so we missed chances and they had several narrow escapes.

Anticipating questions about this run of home success being a post-war record, we recall 11 successive League wins at Deepdale in our 1950-51 promotion season, when the Football League record was equalled with 14 consecutive victories.

And in 1957-59, when North End set up a club record of 59 First Division points, we started, as now, by winning the first seven League matches at Deepdale (also by losing the first five away!). The famed Old Invincibles in one of their great seasons won all their home games—25 in all.

NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the ground, at either first or second team games.

Following incidents at North End's recent game with Blackburn Rovers it was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*Crystal Palace*

For the third home match in succession our visitors are from the London area and we extend as warm a welcome to Crystal Palace as to Charlton and Millwall. It is only the Palace's third visit to Deepdale, due to our paths not crossing until season 1964-65, following their promotion with Coventry City (both 60 points).

The first meeting of the clubs in League or Cup took place in December 1964, North End winning by the only goal. Palace were able to cry quits by exactly reversing this result at Selhurst in March 1965. Last season we again prevailed at home, winning by 2-0. In the return match on March 19 North End achieved a 1-1 draw.

The "Glaziers," to give Palace their nickname, are the second club to be known as Crystal Palace, the first having been founded in 1861. Their successors were founded in 1905 by workers on the staff of Crystal Palace, and gained a place in the old Southern League in 1906.

There they stayed until 1920, when Palace became one of the original members of the League Division III, gaining promotion as champions in their first season with 59 points, five more than Southampton's total. An initial meeting with Preston North End was missed in 1925-26 through the Palace being relegated to Division III when we dropped into Division II.

Like all clubs they have known their ups and downs, their League career includes three seasons (1958-61) in the Fourth Division, but they have not looked back since coming up with Peterborough United. Ambitious Palace are unusual in this respect—they are run by only three directors.

Back in Division II, Palace finished their first campaign seventh from the top with 45 points. Last season, owing to disappointing performances in away games—

P21, W3, D6, L12, Goals 18-36, Pts.12—they had to be satisfied with a half-way position from a total of 41 points. This season they are in great form.

Such well-known players as John Sewell (ex-Charlton), Ernie Yard, Dave Burnside, Tom White, Keith Smith, Hugh Brophy and Stewart Imlach are missing from the Palace line-up for today. It included two newcomers, John Dyson and Cliff Jackson, who were signed as recently as last month.

CRYSTAL PALACE PLAYERS

John Jackson (*goalkeeper*). Taken his chance to succeed Bill Glazier, now with Coventry. Represented London and England Grammar Schools and played for an England Amateur XI. Young goalkeeper with a bright future. Born Hammersmith.

Bert Howe (*right back*). Signed professional in December 1958 after amateur service with Palace. "Demobbed" in July 1962.

Jack Bannister (*left back*). A newcomer from Scunthorpe United last June. Previously spent five years at West Bromwich, a favourite source of Palace recruits.

Terry Long (*right half*). Palace's longest-serving player, made 399 first team appearances during his first 10 seasons with the club. Ambitious to play for Crystal Palace in First Division. Born Tyler's Green. Started with Wycombe.

Alan Stephenson (*centre half*). Club skipper. Played for London Schools and FA Youth XI. Started with Palace as an amateur and made his League debut aged 17 in March 1962. A product of the Palace youth scheme.

Brian Wood (*left half*). Joined Palace from West Bromwich Albion, his only other professional club, in May 1961. Injury kept his appearances down. Now fully fit.

Steve Kember (*outside right*). Another product of the youth scheme. Played for Croydon and Surrey Schools. Signed Apprentice in July 1965.

David Payne (*inside right*). Another local lad who started with Palace as an Apprentice in January 1964. Full professional October 1964. League debut December 1964 at Preston when only 17.

John Barry Dyson (*centre forward*). A Lancashire lad born at Oldham 24 years ago. Started with Bury September 1960 and transferred from Tranmere six years later.

Bobby Woodruff (*inside left or wing half*). First with Swindon and transferred to Wolves for £35,000. Joined Palace in May 1966 to join up with former Swindon manager Bert Head. League debut at 17. Born Highworth, Wilts.

Clifford Jackson (*outside left*). Began in League football at his native Swindon, September 1958. Moved to Plymouth June 1963 and to Palace a month ago.

Brian O'Connell (*substitute*). Joined Palace last summer after several years with Fulham. Played for West London Schools, London Amateur XI, Middlesex and England Youths. Born Kensington.

SPECTATORS ON PLAYING PITCH

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators came on to the pitch during the course of the Central League game with Blackburn Rovers. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
